Website renewal of www.gwtawigb.org (N.E.W. Riders)

First and foremost we would like thank you for supporting our organization. Many of you are aware of the costs associated with a web site and the operation of an organization. It was our hope to defray some of those costs. We are now asking if you would continue to support our organization by having your business information on our site.

Please check out our page at the following link;

If there are any changes you would like made please let us know.

We are asking for a \$10 donation which will run the ad for another year. If we do receive more donations than it takes to operate our local organization, we will donate part of those proceeds to one or more of the charities we support throughout the year. Our intent is to give you a place to support us and our charities as well as make others aware of your support.

Please make your check payable to **N.E.W. Riders**.

Thank you!
